Loewe **iconic**

The perfectly symbiosis of design and technology

Transform your living room into an art gallery. The sculptural design of Loewe iconic combines the latest OLED technology with a room-filling sound experience and an extraordinary setup solution made of stone.

This way your home becomes more than just a room to live in: It becomes a place where you can indulge in art, craftsmanship and culture - with the Loewe iconic as a powerfully designed, central design statement from our exclusive Loewe manufacturing facility at our head quarter in Kronach, Germany.

Choose your size: 65" or 55" OLED

Choose between two display sizes as you please.

Display sizes 65-inch and 55-inch, fitting for different sized living spaces.

All Loewe OLED televisions benefit from Dolby Vision and an individual calibration.

Together with algorithms optimized over decades, this ensures most natural and harmonious images. Each TV set is individually measured at the end of our production and adjusted for the best viewing comfort.

In this way, Loewe can guarantee that our customers will experience the same impressive viewing experience in your living room that was determined in weeks of work in the laboratory by calibrating and optimizing all parameters.

Every device that leaves Loewe's production lines is matched with the optimized image parameters using a golden sample. This is to guarantee that you and your customers receive a perfect premium picture with every Loewe TV set.

Choose your platform: Loewe chassis SL8

Loewe chassis SL8 for the smarter streaming experience.

- Direct access to Video on Demand services with natives apps of Netflix, YouTube, Amazon Prime, Disney+, Apple tv+, Joyn, FIFA+, HD+, Zattoo and media libraries
- Loewe dr+ system with 1 terabyte hard disk
- Dolby Atmos und HDMI eARC
- Music listening and internet surfing
- Super fast and modern user interface
- Loewe remote with Bluetooth, voice control and illumination
- Support of Apple AirPlay, Google Cast and DTS Play-Fi

Exclusive colour variant. For the perfect living ambience.

Express yourself.

Loewe iconic blends seamlessly into your existing living ambience, turning it into an artful, gallery-like living space. The exclusive colour scheme is deliberately selected to enhance the unique charm of the design TV model.

The perfectly coordinated design concept thus meets the highest demands of a sophisticated interior. In any case, the TV setup solution is more than just a modern eye-catcher.

Loewe iconic is the unique symbiosis of art, culture, craftsmanship and technology - a style icon for the luxurious home entertainment of the future.

Exclusive setup solution: Loewe floor stand iconic

Simply connect, sit back and enjoy: Loewe iconic is ready to go as an innovative setup solution, a pre-calibrated combination of TV and active soundbar. Whether based on the Loewe chassis SL5 or SL8 variant, with a 55" or 65" screen diagonal - the Loewe iconic combines excellent TV and audio quality in a high-quality overall solution.

The Loewe iconic sets strong accents and new standards for luxury-class home entertainment with its sculptural, coherent design language.

Made of exclusively handmade and elaborately manufactured Syno-Stone

The unique, high-quality setup solution of the Loewe iconic is handmade of Syno-Stone. A solid mineral compound material that is robust and durable, heavy and cold touching as stone.

Smooth, strong and massive Syno-Stone is perfect to carry the TV and audio solutions with ease.

Experience a TV and audio setup merged into one with this long-lasting installation. Being manufactured with experienced craftsmanship it is ready to outlasts short-lived design trends as well as the ravages of time.

Convenient all-in-one system for the best TV- and sound experience

The integrated 3.1 soundbar with three front-firing speakers and two built-in subwoofers delivers a total music output of 360 watts for a room-filling, natural and impressive sound experience – including Dolby Atmos, DTS X, Multiroom via DTS Play-Fi, Loewe Wireless Digital Audiolink (WDAL 2.0) for a wireless 5.1 system update and with AVR connections for connecting many backwards-compatible and new wired active speakers, subwoofers or amplifiers via Cinch.

Hidden beneath a specially crafted acoustic fabric its powerful sound reaches any corner of a room – without being visible.

Loewe **iconic** collection

Express yourself.

Individual design creation.

Create your own style:

With the Loewe iconic collection you can customize your own personal TV through our exclusive colour selection options. Be a designer yourself and create your very own design icon. With the Loewe iconic collection, you can create your personal colour scheme of the Loewe iconic stand yourself, so that it can be integrated harmoniously into your living space.

Choose between the monochromatic colour options of graphite grey, pure white, bronze or give your design icon an exquisite touch of real stone with our colour options diamond dust, midnight marble or ivory sands. The solid and robust stone-like surface support the television and soundbar with ease.

The cover of the speakers offer you enough surface to give your home an exquisite touch with your personal choice of a high quality fabric: Whether single colour thread in black or in bronze, or two colour thread in basalt grey - you determine the design.

The 360° design turns the Loewe iconic into a design sculpture that you can place anywhere in the room. The multitude of customization options make the Loewe iconic your personal design statement.
