Highend speaker

Finest aesthetics and craftsmanship.

Introducing our high-end passive speaker, where art meets engineering. Available in a stunning fractal walnut wood front or white matt, this speaker is not just a sound system - it's a statement piece that enhances any space. Elevate your home decor while indulging in extraordinary sound quality.

Precision engineering for exceptional sound.

Experience sound like never before with the Purifi USHINDI speaker driver. Featuring Ultra Low Distortion Transducer Technology, this driver virtually eliminates distortion and delivers unparalleled sound clarity. The innovative PURIFI NeutralSurround technology ensures a smooth response, while the PermanentCore design creates a grain-free backdrop for your music, allowing you to hear every detail as the artist intended.

Dynamic audio performance.

Feel the power of sound with our Air Motion Transformer (AMT) and robust neodymium magnets. These advanced technologies deliver precise, dynamic audio that immerses you in your favorite music, movies, and games. Prepare to be captivated by the depth and detail of your audio experience.

Innovative design for enhanced sound.

The solid aluminum stand incorporates cutting-edge decoupling technology, ensuring that your speaker delivers the purest sound possible. This design not only enhances audio performance but also provides a stylish and stable base for your listening enjoyment.

Versatile connectivity options.

Unlock your audio system's full potential with our bi-wiring and bi-amping capabilities. Tailor your setup to suit your listening preferences and achieve enhanced performance with flexible connectivity options that adapt to your unique sound needs.

Convenient maintenance with style.

Enjoy easy access to your speakers with the magnetic cover that allows for quick removal. This thoughtful design not only simplifies maintenance but also enhances the aesthetic appeal of your speaker, allowing you to showcase the beauty of the craftsmanship underneath.

Achievements

"Gorgeous in appearance, well thought out down to the last detail and with a sound that is almost overwhelmingly atmospheric and controlled - the grand inicio is a more than promising debut from Loewe."

FIDELITY magazine, March/April 2025, about Loewe grand inicio

"The drivers from Purifi Audio are at the heart of the speakers' sound, while extravagant details on the outside fulfil Loewe's high design ethos."
